AUGUST 18, 2011

### South Haven Health System Foundation Gathers a Crowd

They came from all over Michigan, fifteen other states, Canada and Brazil. They came young and old, large and small. They came for a variety of reasons. Some held steadfast in the rain while some made other plans. But, they all had one thing in common; they registered to participate in the 2011 National Blueberry Festival 5k run/walk sponsored by the South Haven Health System Foundation.

One thousand four people registered for the race this year from age 4 to 81 making this a successful festival event again this year, in spite of the rain. "Although the weather put a damper on the event, we are thrilled that this many people registered and that 824 registrants stuck it out in the rain to complete a race." states Kim Wise, Race Director. "Everybody was energized and having fun despite the hour delay and the weather." Those placing in the races are listed below. For full race results, visit South Haven Health System on Facebook and click on the race results link.

The South Haven Health System Foundation shares the race proceeds with the National Blueberry Festival Committee to support the festival. Proceeds from the race this year are approximately \$5,000. The Foundation offers free health screenings and educational programs to the community throughout the year, annual Wellness Center Membership Scholarships and supports the hospital with various equipment needs. If you would like more information about the Foundation, or would like to make a donation, contact Charlene Wilson at 269-639-2803.
