FOR IMMEDIATE RELEASE

THANK YOU FOR YOUR SUPPORT

South Haven Health System was recently honored with the Highest Overall Satisfaction for Medical and Surgical Offices Award by Arbor Associates with a satisfaction score of 96.5%. “Our physicians and clinic personnel were scored against over 100 medical and surgical offices across the Midwest for this award”, states Joanne Urbanski, President / CEO. “They provide high quality and responsive care. We thank the community for choosing South Haven Health System for their care.”

Arbor Associates, Inc. has created insight for hospitals across the country via research studies since 1982. They perform telephone-based surveys to randomly chosen people who had a recent visit to South Haven Health System.

The physician offices recognized at South Haven Health System are: Family Practice, Pediatrics, Internal Medicine, General Surgery, Orthopedics, Women’s Center, Integrative Medicine and Occupational Medicine. The offices are located in the Medical Office Building on the east side of the hospital, the Shoreline Wellness and Rehabilitation Center, Bangor and Covert. For more information about the services provided at South Haven Health System and the medical or surgical offices, visit www.sh-hs.org.
